“The Church: Expanded Vision”
(Acts 15:41b - 16:40)

Things that start small often become big such as McDonalds, Amazon and of course the Church. Just as the Lord expanded the vision of Paul and his companions, He wants to expand ours too and what He has planned for his Kingdom.

An expanded vision includes:

- _____ additional leadership (15:41b-16:5)
- Being_____ to the_____ (16:6-10)
- An_____ to_____ (16:11-15)
- An_____ of_____ (16:16-40)

Being the Church:

Questions to consider (with your family and friends):

1. Why is it important to be “raising up” additional leadership in a church like SMBC?
2. How does the Holy Spirit guide our lives today?
3. What potential “new ministry” opportunities do you see being placed before SMBC?
4. Where do you see opposition to God’s Kingdom in our culture and the world?
